Kids & Youth 8 to 80 – Ready for some free summer time fun? Come and fly Radio Controlled Model Airplanes on August 15th at 10:00 A.M. Sponsored by Adams County M.A.S. RC Flying Club (Miniature Aero Sportsters).

The event will be at our club's 'Flying Field' located northeast of DIA on 120th about 9 miles east of Tower Road. 'Certified Flying Instructors' will help you learn how to pilot these fun flying machines. There will be food and refreshments so bring Dad... Heck, bring the whole family.

DIRECTIONS:

The flying site is located in unincorporated Adams County, north east of DIA. To get there, take Tower Road north to 120th. Go east on 120th past Hayesmount Road. Continue east on 120th and go about a mile. On your left will be gated road that leads over a small hill. This is the entrance to our flying site. If you're on 120th and you go over a bridge crossing Box Elder Creek, you've gone too far. The actual address of the field is 31801 E. 120th Ave.

From the Brighton area go out Bromley lane to Hayesmount and turn right, go down Hayesmount to 120th and turn left . The address is 31801 120th
