## JOINT FUN FLY SERIES 2021

As you probably already have heard, we have initiated a Fun Fly series in conjunction with our neighboring clubs, The Longmont Aircraft Modelers Association (LAMA) in Dacono, and Mile Hi RC Club in Strasburg. The idea is that we potentially can have greater attendance and establish camaraderie with the other members. These events have the potential to be very fun and socially engaging beyond what our club has to offer on its own.

First up is the Pluckrose Memorial Fly-in at Mile Hi RC Club in Strasburg! It will be held on **June the 12th, 2021**. Let's try to make a good showing!

## CLUB HISTORY CORNER

According to the club history document, Miniature Aero Sportsters was founded sometime around 1972 in Northglenn, Colorado. Those listed as the Charter members/officers included Herb Varona. Did you know that Herb is still a member today? That's almost 50 years! Although Covid has kept Herb away from the field, he still is an active member and hopefully soon he will be seen back flying again!
