CLUB HISTORY CORNER

This month's history corner is dedicated to a tireless member of our club, still serving today! Sometime around April 1985, a member by the name of Lee Overholt soloed for the first time at MAS. Since that time Lee has given endlessly of himself to the club, serving many roles including President. To this day Lee serves the club as an advisor to the officers and he actively helps with repairs, replacing broken items, and getting things done. Thanks Lee!

JACK DUNKLES FLEET BIPLANE

You may have met Jack Dunkle, he is a newer member to our club. He creates wonderful scale model aircraft. Jack's latest project is a 1/3 scale 1927 Fleet Model F, modeled after the full scale version Jack once owned! Beautiful Jack!
