## BREAKING NEWS!

Attention members! Jeff Griego has flown an airplane! Yes, it is true, we have photos to prove it! Welcome back to the active part of the hobby Jeff! Photos taken June 1st.

## JOINT FUN FLY #1, MILE HI RC CLUB.

On June 12th we joined Mile Hi Rc Club at their field for the Pluckrose Memorial Fly In. This was the first event in the new Joint Fun Fly Series created to help with having fun social events not only with our club, but with our neighboring clubs as well.

It was a sunny day, albeit a bit windy to start. Lee Overholt was the first brave pilot to take to the air in the gusty crosswind, completing a successful flight. Soon several pilots took to the air and by 11:00 the wind died down and the air was full of activity.

Mile Hi provided a lunch BBQ for a small donation, which I hear was delicious (I had to leave before then unfortunately).

We thank Mile Hi for their hospitality as we had a good time flying and visiting with them! We are looking forward to the next couple of events this year!

*Shots from the Field! Feel free to send me yours!*

Everyone Welcome! Open House!

Serving the Northeast Denver Area, the Miniature Aero Sportsters flying site sits on 48 acres with a 500 foot paved runway. The club is open to all who have a current AMA membership. The Miniature Aero Sportsters consists of a group of individuals with a common interest in radio control aircraft. Club meetings are on the 4th Thursday of the month. Meetings start promptly at 7:00 pm. All M.A.S. club members are encouraged to attend meetings, and to become actively involved in the club's activities
