THE NEWSLETTER OF THE MINIATURE AERO SPORTSTERS

## A WORD FROM MIKE FEITINGER, PRESIDENT

As we near the end of the year I'd like to wish everyone a joyous Holiday Season! Looking back we had a very busy season with lots of improvements to the field and a few flying events as well. A big thank you to everyone that helped out, a lot or a little.

### **The CONEX is here....**

You may have noticed that the new CONEX container is at the field. It will allow us to securely store our field equipment and tractors safely and out of the weather. A big thanks to Bill Howlin and Lee Overholt for making that happen. Also a special thanks to Jeff Griego for bringing his tractor out and helping prepare the site for it.

### **New meeting place next year...**

Big shout out to Jack Dunkle for arranging a new in-person meeting location for our winter meetings! Jack will have more details on that.

### **Close and lock the gate...**

We still seem to have a problem with getting the clubhouse and front gate closed and locked when we leave. PLEASE, make sure they are all locked up when you leave!

Happy Flying-Mike

**A WORD FROM JACK DUNKLE, VICE PRESIDENT**

Well the holiday season is on us. The flyer for the Snowbird is posted for Jan. 1. Please save the date. As promised I have been working on a new location for our club meetings for the winter months and a place where we can have demos, show and tell, snacks etc. The location will be at the clubhouse near my home in Green Valley Ranch. More on this in the January newsletter and I will send reminders for club events on our Google Groups page. I wish you all Happy holidays and a Happy New Year!

As always, if you have any questions or ideas for anything you would like to see at MAS let me know by email or text
