HANGAR TALK

THE NEWSLETTER OF THE MINIATURE AERO SPORTSTERS

A WORD FROM MIKE FEITINGER, PRESIDENT

Happy New Year! I wish you and yours a healthy and prosperous year ahead. We have a lot to look forward to this year, our facility is in great shape and I am sure there will be a full calendar of events you can attend along the front range. Hopefully you are building or assembling a new airplane to fly this year!

Dues are due....

It is that time of year again to renew your annual membership. Please pay either by mailing a check to our treasurer Bill Howlin or pay via the website renewal link using PayPal (a fee applies). Thanks again for your continued membership!

New meeting place for January ...

Starting this month Jack Dunkle will be hosting the club meetings at his community's clubhouse at Green Valley Ranch. This should be a great opportunity to return monthly meetings to a more interesting format and have some camaraderie with others. See Jack's section in this newsletter for more details.

Snowbird happened...

Congratulations to Lee Overholt for being the "First to Fly" in 2023! There are a couple pics later on in the newsletter.

Happy Flying, Mike

A WORD FROM JACK DUNKLE, VICE PRESIDENT

Well we made it through the holidays and the new year is off and running. As I said last month, we are trying a new location for our monthly meetings for the winter months. The meetings will be on the fourth Thursday of the month at 6:30 pm. This month's meeting date is Jan. 26.

The location is 20309 E 53rd Ave, Denver, CO 80249. This is in Green Valley Ranch near the Airport (see map link below).

On this first meeting I will be doing a demo and talk on installing fabric on a model and prepping for paint. Also maybe an aircraft or two on display. Future meetings will have similar talks and demos to be announced each month in the news letter.

Coffee and donuts will be served. Hope to see you all there!
